Welcome to A Christmas Affair 2014 – Christmas in the City! This year’s event marks the 39th year The Junior League of Austin members have produced this premiere shopping event kicking off the holiday season in Austin. Since its first year the event has grown from 41, mostly local, merchants to an event with more than 200 merchants featuring products from around the world!

Just as our city has grown and changed, so has A Christmas Affair and so has The Junior League of Austin. Our membership has grown and is more diverse. As an organization of women we have adapted to the changing roles our members have in society and we have continued to evolve in response to the changing needs of our community and our members. We’ve grown and evolved while keeping our purpose focused.

Our members are dedicated to improving our community through voluntarism, which, in turn, develops remarkable women leaders who serve in our community. In my view, this model of membership, voluntarism and training creates a perfect, infinite cycle – for every action given, there is a benefit gained, thereby creating a uniquely talented, trained and effective community leader.

Each year the A Christmas Affair committee sets out to create a uniquely themed and decorated holiday market intermingled with special events for kids of all ages and this year is no exception. I proudly proclaim, without hesitation, they have delivered! So, as you shop the market and experience the events that are A Christmas Affair – Christmas in the City consider this…The Junior League of Austin is an organization run entirely by volunteers. Trained volunteers who change “League jobs” annually. From FIT - Food In Tummies to Coats for Kids to Technology to Treasury to Public Relations to Spanish Immersion to Done-In-A-Day to A Christmas Affair and more…EVERY job changes and EVERY task is done by a volunteer.

This issue of Capitalines features a few of the projects and programs of The Junior League of Austin. I encourage you to take the time to read about the impact our members are making in our community. I am honored and proud to lead this extraordinary group of talented women who accomplish so much and impact so many through voluntarism. On behalf of The Junior League of Austin I thank you for attending A Christmas Affair, our signature fundraising event and supporting our efforts in the community.

“The Junior League of Austin (JLA) is an organization of women committed to promoting voluntarism, developing the potential of women and improving the community through the effective action and leadership of trained volunteers. Its purpose is exclusively educational and charitable.”—JLA Mission Statement

The League does not exist solely for the development of its members, but also for the development of the potential of women throughout our community. Three community programs are particularly important in meeting this mission: Con Mi MADRE; GENAustin; and Junior Achievement of Central Texas.

**Developing the Potential of Women: Con Mi MADRE**

Con Mi MADRE is an organization devoted to providing educational and social support for Latina girls to prepare for post-secondary education. The most unique aspect of the program is that it involves both students and their mothers, recognizing that parental involvement often determines whether a student will achieve success. The importance of parental involvement cannot be overstated.

Con Mi MADRE will be awarding five $1,000 scholarships to qualified students who complete the organization’s GRAD (“Girls Reaching A Dream”) program for college students. In addition to providing 16 volunteers, the League contributes $500 towards these scholarships.

The scholarships support the community by defraying the expenses of higher education for the young women who have stuck with and completed the Con Mi MADRE program. Every scholarship dollar is a dollar that a young woman does not have to borrow from her future self to fund her education. Scholarships also recognize a student’s hard work and demonstrate our confidence in her potential. We believe that our investment will strengthen her own self-confidence.

Through its support of Con Mi Madre, The Junior League of Austin directly and positively influences the realization of the limitless potential of young women in the community.

**Improving the Community: GENAustin**

The “GEN” in GENAustin stands for “Girls Empowerment Network.” Their purpose is to “support and guide girls to make wise choices as they navigate the unique pressures of girlhood.” They do this through various programs that give girls the opportunity to discuss body image, develop media literacy and foster healthy relationships. One of their programs, clubGEN, is an after-school program for girls in the fourth through eighth grades. The girls are surrounded by positive role models and they discuss diverse, relevant, and significant topics like bullying, healthy relationships, fitness and career exploration. Starting these discussions at this early age will ensure these girls continue them for the rest of their lives and with following generations of young people.

GENAustin also holds the statewide annual We Are Girls Conference, for girls in the third through twelfth grade and “the adults who care about them.” The conference features speakers and workshops addressing issues such as social media, financial literacy and enhancing parent-daughter communication.

GENAustin conducts workshops through the 180 Program. These workshops address challenges faced by many girls today and additionally offer programs for girls who are either involved with or at a high-risk of becoming involved with the juvenile justice system. Girls who are empowered to make healthy choices and who are given the tools to seek positive relationships with themselves and with others become girls who grow into leaders and are members of a strong and loving community. These programs not only positively affect the girls in the programs, but also the girls and boys with whom they interact. This is what The Junior League of Austin seeks for our community.

**Effective Action and Leadership: Junior Achievement of Central Texas**

Junior Achievement is the world’s largest organization dedicated to the education of elementary, middle, and high school students in real-world business, job and financial skills. The stated mission of Junior Achievement of Central Texas is “to educate, and inspire young people the value of free enterprise, business, and economics in order to improve the quality of their lives.”

In elementary school, the goal is to broaden children’s horizons and open their eyes to the possibilities, including entrepreneurial possibilities, for their future. The skills they learn will help them be confident in their choices and the decision making process that gets them there.

Junior Achievement recognizes that middle school is a crossroads for many kids. At this age, some students don’t see the connection between school work and future success. These students are likely to give up or drop out. Junior Achievement teaches the link between school achievement and real world success – the link between school lessons and real world business concepts. For students in high school the programs focus on job readiness, financial management and business or career guidance.

Junior Achievement is effective. According to a study conducted by the organization, 92% of Junior Achievement alumni reported that being a JA student positively affected their future. Junior Achievement teaches young people leadership skills. The same study found that over 80% of former Junior Achievement alumni say their participation strengthened problem solving abilities, decision making, critical thinking and interpersonal communication skills. Through The Junior League of Austin’s volunteer and monetary support, the League contributes greatly to building future leaders and enabling these students’ success in our community.
The Junior League of Austin (JLA) is committed to ensuring that children have access to nutritious foods to feed their minds and grow strong bodies. When a child is hungry, he cannot concentrate in school, which can lead to poor performance. To address the hunger challenge, the JLA partners with community agencies such as Mothers’ Milk Bank and Sustainable Food Center to help grow our children’s minds and bodies. In addition, the League’s own program FIT - Food In Tummies provides weekly nutrition during the school year to kids in two Del Valle ISD elementary schools.

“Before being placed at Mothers’ Milk Bank, I had no idea that donor breast milk was even a thing,” said League member Noel Nielsen, “My time at the Milk Bank has raised my awareness in regards to the necessity of donor milk and donor milk facilities.” Noel’s placement is in the Mothers’ Milk Bank lab which processes prescribed donor human milk for infants. The milk helps pre-term and medically fragile babies grow and thrive, by providing them special antibodies to fight disease and infection, as well as growth hormones to help them develop. Remarked Noel of her placement, “Volunteering saves lives.”

The JLA’s FIT program meets another critical nutrition need in our community. According to the Capital Area Food Bank of Texas, our state ranks among the worst states in the nation for hunger, child hunger and obesity. One in every four children in Texas experience food insecurity and multiple studies show that children who are hungry do not excel in school. FIT Chair, Deanna Schobey, works with her committee in Del Valle schools to help provide backpacks of nutritious food to kids on Fridays, filling the nutritional void.

COCONUT PUMPKIN MUFFINS

½ cup coconut flour  
4 eggs, at room temperature  
¼ cup coconut oil  
6 tablespoons pumpkin puree  
2 tablespoons raw honey or pure maple syrup  
1 teaspoon cinnamon  
¼ teaspoon ground ginger  
1 teaspoon vanilla extract  
1 teaspoon apple cider vinegar  
¼ teaspoon baking soda

1. Preheat oven 350 degrees and line muffin cups with liners.  
2. Stir together coconut flour and eggs until a smooth paste forms. Stir in coconut oil, pumpkin puree and honey. Mix in spices, cider vinegar and baking soda.  
3. Divide mixture between muffin cups and bake for 25-30 minutes until golden.

Volunteering saves lives.  
-Noel Nielsen
many children face on weekends. Deanna recalls that, “Last year Good Friday was scheduled as a make-up day for the weather cancelations. Staff expected attendance numbers to be down.” But instead teachers at Hillcrest Elementary found their halls full. The Hillcrest Principal told Deanna, “Those kids came to get their FIT bags. They need that food.”

During the 2013-2014 school year, the FIT program provided approximately 48,000 bags of food, delivered in 1,500 backpacks, for 32 weeks. The packs delivered weekly to Baty and Hillcrest Elementary includes food for the weekend, bilingual healthy recipe cards, and nutrition tips to be shared with the student’s family. Said Deanna about her experience with FIT, “The opportunity to truly make a difference has been life changing for me.”

Sustainable Food Center is another project where League members work to cultivate a healthy community by strengthening the local food system and improving access to nutritious, affordable food. Sustainable Food Center envisions a food-secure community where all children and adults grow, share, and prepare healthy, local food. When asked about what drew JLA volunteer Audrey Lopez to her placement she said, “Helping independent, organic, and local farmers sell their high quality, nutritious food is very satisfying. Gatherings like the Farmer’s Market are the fabric of our community.”

LOCAL KALE AND CITRUS SALAD

1 bunch of kale
1 whole jalapeño, seeded and sliced very thinly
3 whole clementine oranges, or other citrus, peeled and cut into chunks
4 ounces goat cheese
¼ cup orange juice
2 tablespoons olive oil
1 clove garlic, pressed or grated
1 teaspoon sugar
Salt and pepper to taste
1 tablespoon Greek yogurt

Using a knife, shred kale into ribbons approximately ¼-½ inch wide.

For dressing, whisk orange juice, olive oil, garlic, sugar, salt & pepper. Add yogurt until creamy. Toss kale in half the dressing, then add jalapeño and citrus, adding additional dressing.

Break goat cheese into chunks and toss into salad.
A CHRISTMAS AFFAIR: CREATING A COMMUNITY OF POSSIBILITIES

BY ANNE PETERS

When I think of *A Christmas Affair*, I think of:

“…the decorations and music, which make the shopping experience feel a bit magical”
Jennifer Jackson, community member.

“…a cornucopia of shopping options!”
Kelly Lowe, community member.

*A Christmas Affair* (ACA) is widely known as a giant holiday market, a fun place to shop with friends, and an event kicking off the holiday season here in Austin. Shoppers - 6,000 of them each day - come from all over Texas to a single destination where they can find treats for themselves and unique gifts for others. It’s a chance for local and small businesses to show off their wares. The beautiful decorations elevate the experience to something that Austinites and tourists cannot find anywhere else. Even Santa Claus makes a special preseason appearance to meet children for brunch and photos.

There is no denying that *A Christmas Affair* is an amazingly successful fundraiser for The Junior League of Austin, raising over $750,000 annually to support the Central Texas community.

While you can shop elsewhere for holiday gifts, remember that your support of *A Christmas Affair* means you are supporting positive change in our community.

Your support of *A Christmas Affair* means you are supporting positive change in our community.
The Junior League of Austin (JLA) provides volunteers and funding to area non-profit agencies for the benefit and enrichment of the Austin community and the development and education of League volunteers. Last year over 1,100 League members provided more than 100,000 volunteer hours to the League's community agencies and programs. The JLA has also provided millions of dollars over the years to fund programs and agencies that improve the overall well-being of our community. To the right is a summary of volunteers and funds that are allocated to each project or program that the JLA supports.

FROM THE ACA CHAIR

Christmas is my favorite time of the year! Christmas is a time for reflection, celebration and appreciation. I would like to welcome you to a 39-year tradition presented by The Junior League of Austin.

A Christmas Affair 2014 – Christmas in the City, features New York City with an Austin flair. We celebrate the impact that The Junior League of Austin is able to make in our amazing community through this unique shopping experience! This year’s A Christmas Affair will be an experience you will not forget!

As the chair of this year’s A Christmas Affair, I would like to thank all of the wonderful women on my committee who have given countless hours to help ensure the success of this event. I have been truly amazed by the power and strength of these women and truly blessed to work with each of them!

Without your support this event would not be possible. Proceeds from this event directly benefit numerous Central Texas community non-profits with financial resources and trained volunteers. I would like to thank our generous sponsors for their financial contributions to make this event a success and making a difference in our amazing city.

Thank you for making it Christmas in the City this year in our amazing city!

A CHRISTMAS AFFAIR SPONSORS & THE JUNIOR LEAGUE OF AUSTIN DONORS

The Junior League of Austin thanks the following sponsors for their support of our charitable work in the community. League volunteers serve the community through well-known programs such as Coats for Kids and FIT - Food In Tummies, and also projects with non-profit agencies, increasing their capacity with our members as a volunteer workforce. With every dollar raised for community programs, the League triples its impact when combined with the commitment of our trained volunteers. For example:

- With $2,000, the League will provide a week of activities for children with diabetes while providing education about managing their illness. Our volunteers will be Camp Group Leaders at Camp Bluebonnet.
- With $85, our FIT - Food In Tummies volunteers will feed a hungry child weekend meals for an entire school semester.
- With $45, warm winter coats will be purchased for three children. Our volunteers will fit those children and their new coats at Coats for Kids.

These are only a few of the ways The Junior League of Austin impacts our community. Thank you again to all our donors and sponsors!

Benefactor

IBC Bank

IBC Bank’s motto is “We Do More”, and this motto is more than just a tagline. IBC works relentlessly to give back to the local community through charity and volunteer efforts. IBC Bank has been a yearly sponsor of The Junior League of Austin’s A Christmas Affair since 2009, and looks forward to another bright year as a supporter of The Junior League of Austin.

KISS 96.7

96.7 KISS FM is committed to being a strong community partner and continues to spotlight thousands of local and national non-profit organizations that are working to address critical issues and causes. 96.7 KISS FM’s commitment to The Junior League of Austin solidifies a combined dedication to serving the Austin and Central Texas community. By raising our voices locally, 96.7 KISS FM is making a better tomorrow.

Austin Monthly Magazine

Each month, Austin Monthly Magazine informs, entertains and intrigues readers in the capital city in an effort to provide relevant information, enrich lives and foster enthusiasm for our unique city. Austin Monthly Magazine is happy to be supporting The Junior League of Austin’s A Christmas Affair and is looking forward to being a part of this historic holiday celebration that Austinites look forward to attending every year.

Charles H. Phipps Family Foundation

The Charles H. Phipps Family Foundation is one of the original believers and supporters of the FIT – Food In Tummies Program, providing The Junior League of Austin with help and insight into hunger within Central Texas. Pairing with many non-profits addressing hunger within our community, the Charles H. Phipps Family Foundation continues to support the FIT program year after year, finding ways to feed hungry children, provide families with nutrition education and help to bring awareness to the issue of hunger within Central Texas.

The Lowe Foundation

The Lowe Foundation was created in 1988 by Erma Lowe and her daughter Mary Ralph Lowe. Their goal is to give back to the State of Texas by supporting women and children’s health and educational needs. Since its inception, The Lowe Foundation has assisted over 400 organizations, which now includes FIT - Food In Tummies program. Funding will be used to continue the mission of reducing child weekend hunger and providing health and nutrition education to families.

St. David’s Episcopal Church

The Grants Committee for Community Outreach (GCCO) of St. David’s Episcopal Church provides proceeds from the Next-to-New Shop, a consignment, resale and antique store that serves as an outreach ministry of the church. The GCCO has a long history of serving those in need within the Austin community. This tradition continues with the support of FIT - Food In Tummies program, where funds will be used to provide weekend nourishment for 34 weeks to 1,600 Pre-K through 5th grade students at two Del Valle ISD elementary schools in the 2014 - 2015 school year.

Susan Hoermann – Evergreen Studios

For more than thirty years, Susan Hoermann, the sole owner and principal photographer, has made her living creating images of people’s lives. Evergreen Studios sets out to exceed the clients’ expectations every day, and to create a masterpiece every day. FROM THE SUSTAINING PRESIDENT

Thank you for your support of A Christmas Affair! With more than 2,400 total members – 1200+ provisional and active members and 1,200+ sustaining members - The Junior League of Austin relies on the community to help the League deliver on its mission: to promote voluntarism, to develop the potential of women and to improve our community. Thanks to you, The Junior League of Austin provides volunteers and funding to: local non profits; to teachers for educational projects; and to low-income school children who wouldn’t have enough to eat over weekends if it weren’t for the League’s FIT - Food In Tummies program.

Sustainers are members of the League ages 40 and above who have “graduated” from active membership obligations. We maintain our affiliation to help mentor, guide, advise, engage and learn from our entire League membership community. Since The Junior League of Austin was founded in 1934, its members have contributed time, talent and treasure to enhance the Austin community. From bringing the first professional social worker to Austin, to founding non-profit organizations including the Ronald McDonald House (the League’s 50th Anniversary gift to Austin) and Con Mi MADRE, to innovation in response to community needs (see the FIT program above!). The League’s members have taken their League experiences and serve Austin beyond their League work—Austin has benefited from hundreds of League members tackling community issues, spearheading needed efforts and serving as civic leaders.

Your support of the The Junior League of Austin is an investment that has an exponential return. You’ll find it all across our community—from the children who receive coats through Coats for Kids or weekend backpacks of food for kids who would otherwise go hungry to many of the leaders serving on boards and actively engaged in our community.
