Amelia Bullock Realtors wishes you and your family a wonderful holiday season.
When you think of Christmas, what is your warmest memory?

While that gentle thought settles in your mind, I want to welcome you to The Junior League of Austin's 2013 A Christmas Affair - Winter Wonderland.

As you stroll the aisles of dazzling and unique items at this year's A Christmas Affair, remembering the very special people in your life, seeking that just-right gift that says, "I appreciate and love you," we want you to know that your thoughtfulness and generosity go beyond your own wonderful family and friends. You are gifting the community you love, as well. In fact, one of our A Christmas Affair themes this year is "Shop because you care!"

Proceeds from booth sales, sponsorships, and tickets for A Christmas Affair help The Junior League of Austin continue 80 years of community leadership, support, and service. Through your thoughtful participation, we can:

• Volunteer, manage, and fund The Junior League of Austin, FIT - Food in Tummies program to ensure that children will not go hungry over the weekends by providing over 50,000 backpacks of food annually;

• Volunteer, manage, and fund The Junior League of Austin Coats for Kids program to ensure that more than 30,000 children can stay warm;

• Provide more than 100,000 hours of volunteer support and more than $750,000 in funding to nearly 30 community organizations serving the needs of our community's valuable citizens;

• Provide more than 2,400 members of The Junior League of Austin with the opportunity to learn about the issues our community faces and how we can make a difference; and

• Provide a well-trained and committed force of women to step into leadership roles in the corporate, government, and non-profit sectors of our community.

On behalf of The Junior League of Austin, I want to sincerely thank you for attending the 38th annual A Christmas Affair, and to invite you to help us spread the story of how The Junior League of Austin has been planting the seeds of impact through 80 years of community service.

May the holidays embrace you and your family with love, health, and prosperity.

The Junior League of Austin
MOVING ON UP
The Junior League of Austin volunteers share their talents,
and pick up a few new ones along the way | BY BETH IVERS

The Junior League of Austin (JLA) is an organization filled with dedicated women who are committed to making their community a better place. In 2013 alone, the organization will invest more than $780,000 and 100,000 volunteer hours back into the Austin community. Yet, as the many women who have devoted their time and energy to The Junior League of Austin over the last 80 years know, women typically gain as much, if not more, than they give through their membership experience.

"In 30 years as a member of The Junior League of Austin, and through a variety of leadership roles, from Project Chair to President, I can truly say that I earned my MBA from the JLA," Sustaining member Libby Malone said.

What many people outside of The Junior League of Austin may not realize is that Ms. Malone's experience is not unique. In fact, countless women have their own personal stories of how their experience serving in the JLA has developed them personally and professionally in much the same way as their careers.

"The JLA has been more than a volunteer opportunity for me," Sustainer Rosemary Wynn said. "It really is a business, with structure and organization unlike any other entity I have ever been involved with. We change jobs every year and learn different roles which is something you rarely get in a work environment."

The roles Ms. Wynn assumed stretched her to perform tasks outside her personal comfort zone including forcing her to face one of her greatest fears - speaking publicly. "I felt great after speaking at leadership training and was so glad that I had been given the opportunity to face my fears," Ms. Wynn said.

"Members will grow both personally and professionally through the numerous placements that are offered," Active Fallon Gaskamp said. "With leadership roles that are as diverse as Vice President of Financial Development and Social Media Chair to serving as a Project Chair and managing the League volunteers for another non-profit organization, the opportunities for development are endless, and members are often asked to take on roles outside of their experience.

As Camille Jobe said, "Right now, I am serving as the Membership Development VP. That’s kind of like being in the HR department of a 2,400 person firm. It’s not something that I have ever done before or even thought I would do well." However, just as many companies ask star performers to take on growth assignments, members of the League’s leadership team asked her to take on this position. Though she is trained and works professionally as an architect, she says she actually loves her role in The Junior League of Austin. "At work, I solve physical and spatial puzzles. In the League, I get to work with relationship and people puzzles."

Frequently, the personal growth and development members receive through the League leads to new opportunities. For Marilyn Willson, "It was through JLA and the opportunities that it afforded me that I was able to develop my passion for helping others into a career which I love." Ms. Willson transitioned from being a teacher into the Development Director for The Settlement Home for Children where she is responsible for all aspects of community fundraising, special events, communications, branding, and donor development for an agency with 85 full-time employees and an annual budget greater than $4.5 million.

"At work, I solve physical and spatial puzzles. In the League, I get to work with relationship and people puzzles.

- Camille Jobe, JLA Active member

Though not every member’s experience leads to a career change, the League typically gives a personal gift to each of the women who becomes a member. For Ms. Wynn, "It made me feel valued and gave me a sense of accomplishment that I don't think I could have found anywhere else."

2012 A Christmas Affair Chair Marilyn Willson (center) is also employed as the Development Director for The Settlement Home for Children. Pictured here with Katie King Ogden (left) and Meghan Smith (right).
Over 200 merchants from across the country and more than 30,000 people are expected to attend the 2013 A Christmas Affair (ACA).

Last year, 117 merchant trucks, trailers and vans were expertly parked, on average, less than two inches apart by the Traffic and Security Team in the service yard of Palmer Events. Space is a precious commodity in the service yard!

The ACA Committee spends more than a combined total of 5,000 hours at Palmer Events Center the week of A Christmas Affair.

Nancy Wade, a 2013 ACA Sustaining Advisor, was on the first ACA Committee in 1976.

The main Christmas tree is 25 feet tall, has 10,800 lights, and is adorned with 3,000 ornaments.

At this year’s event, over 200 pounds of shrimp, eight gallons of hummus, more than 1800 cupcakes, and about 25 gallons of dressing will be served. In addition, this year all tearoom meals will be served on china!

Several participating merchants’ sales will benefit local and regional non-profit organizations including Open Arms and the M.D. Anderson Cancer Center Children’s Art Project. One group of high school students is selling monogrammed school supplies to raise money for local charities.

The Merchant Committee will start work in December to prepare for the 2014 event!

The Junior League of Austin (JLA) provides volunteers and funding to area non-profit agencies for the benefit and enrichment of the Austin community and the development and education of League volunteers. Last year over 1,000 League members provided more than 100,000 volunteer hours to the League’s community agencies and programs. The JLA has also provided millions of dollars over the years to fund programs and agencies that improve the overall well-being of our community. On behalf of The Junior League of Austin, welcome to Winter Wonderland - where we highlight the elegance and beauty of winter and celebrate the wonder of the impact The Junior League of Austin is able to make in our community.

The holiday season is a wonderful time of year for the League, not only for the renewed commitment to our own families, but also because of the opportunity the season presents to us as an organization.

Proceeds from A Christmas Affair (ACA) directly benefit our Central Texas community, supporting more than 25 area non-profits with financial resources and trained volunteers each year.

As the Chair of this year’s A Christmas Affair, I would like to thank the fabulous women on the ACA Committee who have contributed thousands of hours to ensure our event’s success. It has truly been an honor to serve with such a talented and committed group of individuals. I continue to be amazed by the strength and character of our Junior League volunteer force.

I would also like to extend my appreciation to our generous sponsors for their financial contributions which enable our vision of a world-class holiday market to become a reality. And a final thank you to the greater Austin community for your support of this uniquely Austin tradition. We look forward to celebrating our 38th A Christmas Affair with you at Winter Wonderland.

Thank you for helping us build a better a community. Shop because you care!

THANK YOU TO OUR DONORS

The Junior League of Austin thanks the following donors for their support of our charitable work in the community. League volunteers serve the community through well-known programs such as Coats for Kids, and also in partnership with non-profit agencies, increasing their capacity with our members as a volunteer workforce. With every dollar raised for community programs, the League triples its impact when combined with the commitment of our trained volunteers. For example:

- With $2,000, the League will provide a week of activities for children with diabetes while providing education about managing their illness. Our volunteers will be Camp Group Leaders.
- With $500, the League will support a Girl Scout troop, which serves girls and their incarcerated mothers. Our volunteers will be Troop Assistants.
- With $80, our FIT - Food in Tummies volunteers will feed a hungry child weekend meals for a school semester.
- With $45, warm winter coats will be purchased for three children. Our volunteers will fit those children and their new coats at Coats for Kids.

These are only a few of the ways The Junior League of Austin impacts our community. Thank you again to all our donors!

FROM THE 
SUSTAINING PRESIDENT

On behalf of the more than 1,200 Sustaining Members of The Junior League of Austin, we are thrilled to be a part of this year’s A Christmas Affair, Winter Wonderland, and grateful to Austin for its many years of supporting our impact in the community.

As Sustaining members, we are proud of the many ways the League is growing and evolving to meet the changing needs of Austin and of our own members. We believe we are part of a very positive force in our city — from Coats for Kids, to FIT - Food in Tummies, to our many partnerships with community-based organizations such as the Austin Children’s Museum, CASA of Travis County, Con Mi MADRE, and Mobile Loaves and Fishes. The impact of the League’s work is broad: feeding and clothing people who are struggling to meet their basic needs, empowering women and children who are victims of violence, mentoring youth toward college, and enriching this city through arts and environmental education.

Your participation in A Christmas Affair enables the JLA to continue to make this powerful impact, and for that, imagine 1,200 women saying, “Thank you!”
